# A unique event not to be missed

It is with great pleasure that the Australian Diabetes Council invites you to the fourth of our unique professional information events. Our pre-eminent speakers will present a range of papers representing the latest thinking, strategies and management initiatives to support general practitioners and other health professionals caring for those with, or at risk of, diabetes.

We recognise health care professionals play an important role in providing a shared voice for diabetes. Through events such as this, we are committed to providing practical and emotional support to the diabetes community.

**Nicola A Stokes**  
CEO, Australian Diabetes Council
