

ICEE Northern Territory

Here is a unique opportunity for an optometrist to join the Aboriginal Vision Team of International Centre for Eyecare Education (ICEE). The optometrist will facilitate outreach optometry clinics to remote communities and Aboriginal Medical Services across the NT, and further develop ICEE's Aboriginal education projects. The full-time position will ideally be based in Darwin, with extensive domestic travel required. If you are keen to do something a little different, have an interest in public health optometry, and seek career path development, please contact the HR Administrator, Linda Puckeridge, for further information. Ph (02)9385 7376; l.puckeridge@ier.org.au

ICEE: International volunteer opportunities

ICEE's vision is to create a world where every individual has access to affordable eye care. Unique experiences are available for optometrists, dispensers and practice managers to volunteer overseas and develop skills in public health. Medium and long term assignments are available in infrastructure development, education and research. ICEE collaborates with Australian government volunteer initiatives (Australian Youth Ambassadors for Development; Volunteering for International Development from Australia) to match volunteers' skills, expertise and support on suitable assignments. Future ICEE placements include Vietnam, PNG, Solomon Islands and Cambodia. For more information or to register interest contact volunteer@ICEE.org

ICEE: Locum work with a difference!

Do you want to venture outside your comfort zone as a locum optometrist? International Centre for Eyecare Education (ICEE) provides much needed eye care services to people living in rural and remote towns and Aboriginal communities. Regular opportunities exist for optometrists to locum with ICEE for 1 or 2 week trips throughout the NT and NSW. All travel and accommodation is arranged, and locums receive a daily rate plus food allowance. To register your interest, please contact the Project Administrator, Elizabeth Louwdyk - (02) 9385 7463; e.louwdyk@icee.org
